## WHAT IS THE NORTHEAST AMERICAN QUARTER HORSE REGION 6 AFFILIATES?

**F**ounded in 1997, the Northeast American Quarter Horse Affiliates (NAQHA) consists of all the American Quarter Horse affiliates in Maine, Connecticut, Massachusetts, New Hampshire, Rhode Island and Vermont. NAQHA also includes Quebec and the Maritime Provinces; Nova Scotia, New Brunswick, and Prince Edward Island. The AQHA Affiliates Promote the American Quarter Horse in their individual state/provinces and encourage participation in all the programs AQHA offers. NAQHA is governed by a working board of three representatives from each affiliate in the region. Jointly, these affiliates help bring a unified voice for the American Quarter Horse to this large geographical area. The goal is to share information from each affiliate in order to create events, news, proposed programs and opportunities to existing and potential members.

### The NAQHA Mission:

- To unite affiliates in Region 6 into one source to reach all potential American Quarter Horse owners.
- To create and develop region-wide programs.
- To serve as a clearinghouse for information and give the public one place to find information for all affiliates.

*Don't miss the opportunity to be a part of your local AQHA affiliate. If you're just starting out or have a lifetime of horse experience, there is a place for you! See us at:*
